

MINIMAL YET ELEGANT

The Cell is characterized by simple lines and its cellular back, practicality. A rainbow of colors allow Cell to steal the show in vibrant and punching yellow and red, or set a calm serene environment with olive green and gray. The Cell is a perfect solution for spaces which want to make a statement.

Cell

FEATURES

- The Cell shell is ergonomically designed, contouring to the sitter's body offering back support and a waterfall front seat edge design to alleviate pressure from the back of the thighs.
- Seat and back shell are made of injection molded polyamide, with seven colors to choose from.
- Shell is made of 50% ABS and 50% Polycarbonate
- Seat is designed with a holes to prevent liquid stagnation.
- The durable four leg frame are 1.18" (30 mm) in diameter and are made of natural beech wood with polished and die-cast aluminum stretchers 0.78 x 0.4" (20 x 11 mm).
- The legs can either be stained in natural, painted to match the polyamide shell or in Iroko wood for exterior use.
- The Iroko wood legs are only available stained in Black.

OPTIONS

- Polymer shell is available in seven standard colors: White, Gray, Black, Red, Yellow, Olive Green, and Blue.
- Lacquered Painted Wood Legs are available in matching polyamide colors: White, Gray, Black, Red, Yellow, Olive Green, and Blue.
