

CHATHAM COVE™ WORK LOUNGE

NeoCon Preview

Chatham Cove shown with 58" high Surround. Finishes include Leave Likatre laminate and Mayer Fedora Opal and Midnight upholsteries.

Chatham Cove is the first work lounge Designed to give users privacy when working solo or together, Chatham Cove builds on the comfort of a traditional lounge while providing the personal privacy and storage to help ensure users can be productive. Work is supported through optional power and a pivoting tablet arm for easy entry and exit.

The line includes a single seat lounge that can be specified in pairs to create a two-seat application. Choose from high or low laminate privacy surrounds and 2- or 3- sided configurations.
