INTEGRATE HEIGHT ADJUSTABILITY WITH EASE

Your private office can easily support health and wellness with height adjustable workspaces. Choose where you need flexibility and we'll ensure your various working postures are supported. With Calibrate, convenient height adjustable surfaces can beautifully blend into the executive office when using enclosed bases and cantilevered options. Whether you sit or stand, your Calibrate private office will perform with you.

CREATE THE CONTEMPORARY OFFICE

bay 
product

Combine Calibrate's subtle aesthetic options to create an eye-catching and streamlined office. Our Executive Floating Height Adjustable Desk makes a statement while seamlessly disguising height adjustability. Calibrate Dry Planters can enhance the space while adding visual privacy when needed.

The Executive Floating Height Adjustable Desk combines ergonomics with sleek design. Add a touch of refinement with the Slim pull available on Calibrate Series storage.

Add functionality and refinement to the office with optional whiteboard wall panels and painted slim pull.

QUALITY & DETAILS

Our quality and details make an impact and make the difference. With robust construction, tight tolerances, precision ball bearings and heavy weight shelf supports, the Calibrate Series will perform year after year. And with dozens of design options, it's easy to support the widest variety of storage needs. Explore the choices, they're all yours. From five pull choices and a soft close option to over four leg support options. See something you like, yet not precisely what you need? We're here to help. The Calibrate Series offers extensive custom capabilities, and we'll gladly work with you to identify the right solution.
